CONSTRUCTION NOTICE

Ledgewood Dr/Deer Path in North Branford

Dear Neighbor,

You count on UNITED ILLUMINATING (UI) to provide you with reliable electricity, when you need it, and we take that responsibility seriously. As part of our commitment to provide safe, reliable service to all our customers, we will be conducting URD construction on Ledgewood Dr/Deer Path in North Branford with an anticipated to start in the end of September 2023 and completion in November 2023. Residents will not see an outage. UI Contractor - Bond Construction will be excavating and installing new conduit to upgrade electrical infrastructure which includes road/driveway and lawn restoration.

URD: Underground residential development.

Our Project Outreach team will be available to answer any questions regarding this letter or the project at 1-888-309-3773 or outreach@uinet.com.

UI's core value is to provide safe and reliable power for our valued customers. We prioritize being a good neighbor and welcome conversations with landowners, community leaders, and regulators throughout this process.

Thank you for your support as we complete this important project on behalf of our customers.
